**MEMO ENDORSED**

**Re: United States v. Nickolas Sharp  
21 CR 714 (KPF)**

Your Honor:

I represent the defendant in the above referenced matter. On December 15, 2021 the parties appeared before Your Honor at an initial appearance to discuss several issues. The parties agreed upon a bail package which included the detail that the bond was to be secured, in part, by the (defendant's) parents in Tucson, Arizona. As discussed before Your Honor, we asked for additional time to secure that bond because the defendant's father was on a consulting assignment in Dubai concerning nuclear power. Because of the tremendous logistical difficulties in granting a power of attorney and securing the confession of judgment documents while the defendant's father was overseas the defendant now seeks to modify the order and substitute the defendant's property in place of his parents' property. The defendant's residence which will be used for this purpose is located at 4521 SW Fairview Blvd, Portland, Oregon 97221. The defendant will provide the necessary documents to the clerk in the SDNY to secure the bond in a timely fashion.

The Government consents to this modification.

Respectfully,

Cc: AUSA Vladislav Vainberg

/s/Matthew D. Myers  
Attorney

Application GRANTED.

The Clerk of Court is directed to terminate the motion at docket entry 15.

SO ORDERED.
